WELCOME FROM THE BRFU PRESIDENT

On behalf of the Bermuda Rugby Football Union, it is my great privilege and honour to welcome Guadeloupe to Bermuda for the 2019 RAN Championship Final, or 'Caribbean Cup Final', as it has been unofficially dubbed here in Bermuda. We are incredibly grateful to Guadeloupe for the dedication and commitment they have shown us in simply being here, especially given the uncertainty of Hurricane Humberto, which saw their 30-strong squad stranded in Miami whilst the storm raged past us.

This game represents a milestone of real significance to both teams. Both Bermuda and Guadeloupe have fought hard for the opportunity to face one another in today's final and their efforts are a testament to the core values of rugby. Both teams have shown an unparalleled level of determination and respect for the game, as well as the opposition they have met along the way. They have shown discipline throughout their journey and solidarity amongst their teammates to get the job done under pressure. They have demonstrated integrity, morale and have been courageous in their campaigns, but above all, it has been their passion which has ultimately carried them here...to today's final.

I would also like to recognize all of our wonderful sponsors and supporters that have helped to bring this event together. It is testament to Bermuda's resilience that we are able to host a Championship final less than two days after a Category 3 hurricane grazed our shores. I would like to take this opportunity to thank everyone, from our Government services who helped to keep the airport and roads open, to our dedicated partners at National Stadium who ensured the pitch would be ready to us, through to our incredible suppliers and supporters who did not skip a beat in assisting us to prepare the venue for game day. Win or lose, this is a proud day for Bermuda and for Guadeloupe.

Au nom de l'association du rugby et football des Bermudes, c'est un grand privilège et un honneur d'accueillir La Guadeloupe aux Bermudes pour la finale du Championnat RAN 2019 des Caraïbes ou la "coupe des Caraïbes" comme elle est appelé familièrement ici aux Bermudes. Nous sommes extrêmement reconnaissants à l'équipe de La Guadeloupe de leur engagement pour être présent ici aujourd'hui malgré l'incertitude du cyclone Humberto qui les a retenu à Miami en attente du passage de La tempête.

Ce match est un événement marquant qui a une importance pour les 2 équipes. Les Bermudes et La Guadeloupe se sont battus très dur pour gagner le droit de s'affronter en finale aujourd'hui et leurs efforts est La preuve des vrais valeurs du rugby. Les deux équipes ont montré un niveau de discipline sans précédent du jeu en vue de leur persévérance face à l'adversité qu'ils ont rencontré tout le long de leur parcours. Ils ont démontrés une intégrité tout au long de leur parcours et de la cohésion avec l'équipe pour réaliser leur performance avec beaucoup de pression. Par-dessus tout c'est leur passion qui les a conduit jusque ici aujourd'hui en final.

Je voudrai également remercier tout nos sponsors et supporters qui ont aider à cet événement ensemble. Ceci est La preuve que Les Bermudes peuvent accueillir une finale championnat en moins de deux jours après qu'un ouragan de catégorie 3 ait braver nos côtes. Je profite de cette opportunité pour remercier tout le monde notamment nos services public qui nous ont aider à garder l'aéroport et les routes ouverte. Tous nos partenaire et le personnel du stade national qui se sont assurés d'avoir notre stade prêt pour nous. également tous nos fournisseurs qui se sont démené pour nous fournir ce dont nous avons besoin le jour du match. Perdre ou gagner, c'est aujourd'hui un honneur pour les Bermudes et La Guadeloupe.
